10 am & 1 pm

#### Recycling Rules!

Learn about the importance of recycling and all of the ways we can make art from trash, and let your creativity fly with recyclable materials!

### Week 5

July 12  
10 am & 1 pm

#### Calling all Curious Gardeners

All little gardeners are invited to join us as we read about bees, leaves, and curious gardens! Take a seed bomb home to start your own garden!

### Week 6

July 19  
10 am & 1 pm

#### Oh, What a World!

Travel to the bottom of a pond, the heart of the Amazon Rainforest, and the shade of a Saguaro, and build a habitat for bugs!

### Week 7

July 26  
10 am

#### Journey Under the Sea

Dive into an ocean of hands-on science fun while exploring Oregon's underwater environments with the Museum of Natural and Cultural History.

### Week 8

August 2  
10 am & 1 pm

#### Read, Renew, Repeat

Renew ourselves after a long summer of reading with books about panda friendships and treetop communities.
